LOW DRESSAGE SCORE Horsey Habit is sponsoring an award for the lowest (best) overall Mini Event dressage score!

HIGH DRESSAGE SCORE Horsey Habit is sponsoring an award for the highest (best) regular dressage class score!

STALLS & TRAILER TYING **Very limited stalls available** - assigned in order of when **payment** is received. We do run out, so enter and **pay** early! Overnight Saturday/Sunday stall registrants (those schooling XC on Saturday) are given first priority. Sunday stalls will be assigned if available. There are a few stalls in the main barn with a dozen in the outdoor three-sided stall shed. Must supply own bedding and clean upon departure. Your \$25 clean stall check will be torn up for any completely stripped stalls found at the end of show. Wheelbarrow and pick available for use. Day of event trailer tying allowed. No overnight trailer tying.

ENTRIES Entry registration starts with the online Google Form. However, rider's official date of entry is the postmarked date of when **full payment has been received**. Delaying payment may result in being wait listed or incurring higher fees. We do fill up on or before the closing date so please use due diligence in getting your payment in or you may be bumped by a more timely entrant.

FREE SUNDAY STALL DRAWING All COMPLETE EARLY BIRD pre-entries (check, entry form, online entry, releases, coggins) received will be entered in a drawing for a free Sunday stall!

SQUARE CASH You can pay fees through **Square Cash** app or cash.me website to \$Duneriders -or-

duneridersponyclub@gmail.com. You can pay using your debit card or credit card. When asked what it is for, enter "Mini Event" and rider's name. Payment is received by us within minutes! However, please submit a separate check to cover clean stall refunds as we will tear up checks for any clean stall found at end of event.

- CLOSING DATE** Saturday, August 19. We now have a tiered payment date system. See fees on the fees page below. We will keep all envelopes/Square Cash emails as proof of postmark date on payments and paperwork.
- REFUNDS** Withdrawals allowed before closing date minus a \$25 office fee. No withdrawal refunds will be given after closing date unless we receive a note from your vet or doctor. No refunds given due to weather.
- RULES FOR PENALTIES** This is a fun and low key mini event, therefore if you are eliminated, you will be allowed to continue in the current phase and any phase thereafter unless there is a question of safety. Penalties for cross country and stadium will follow USEF rules for eventing. These include run-outs, refusals, prolonged stops, a step backwards, falls, circling, and knocked downs. They can be found on the USEF website: <https://files.usef.org/assets/YxmQTKyt2GM/13ev.pdf> Any concerns regarding scoring please refer to the above website prior to making an inquiry at the Registration table. Personal due diligence is appreciated. **NO** trainer or parent inquiries permitted.
- XC SPEED** Our optimum times for cross country are much more gracious than what you would find at a recognized event. Safety is our greatest concern and ultimately this is a learning environment!
- STADIUM JUMPING** Stadium Jumping will **not** be timed. Also, you must wait for the bell/whistle from the judge before you are allowed to attempt the first fence. Please be aware that rules for stadium are different from hunter shows. See the above link for the specifics. In gate person will try to remind riders but will not be held responsible if forgotten.
- DRESSAGE RIDE TIMES** Emailed to all valid emails. Ride times begin with Novice level, starting at 8am. Readers for dressage tests are **allowed** and no points deducted for having a reader. Ground poles Stadium Jumping portion will be in the dressage arena immediately after all the ground pole division's dressage tests. Please be aware that the fencing for stadium jumping is dressage fencing height, roughly 18". Regular dressage tests (Classes A-F) will then begin in dressage arena after ground poles have been removed.
- ATTIRE & TURNOUT** Casual show attire allowed. Braiding is not required. **Helmets** meeting current ASTM/SEI standards are required when mounted along with hard soled, heeled footwear. **Protective vests** suggested for cross country. **Medical Armbands/Bracelets** are required for all Pony Club members and suggested for all riders.
- FOOD** Food truck on the grounds.
- SCHOOLING XC** Saturday, August 26. **Schooling is strongly urged** and available the day before the show for a fee. See fees below. You can use a DRPC Instructor or your own instructor. **No riders allowed out alone on course regardless of ability or trainer status.** Schooling with DRPC Instructor will be scheduled roughly between 11am - 2pm and ride times will be emailed to you by Thursday. Schooling with own trainer is open between 2-5pm. Please be considerate of other groups when schooling. **XC courses will be posted on Sunday morning.**
- OVERNIGHT CAMPING** Overnight camping is allowed in the trailer parking area. No electric hookups available. No overnight tying of horses allowed.
- PARKING** Please follow parking attendant's directions on where to park. Be sure to park your trailer in the middle of the striped trailer parking stalls in consideration of those trailer tying. Cars will **not** be allowed to park back by the trailers as space close to stalls is limited. **Parking of cars** will be up against the east gravel drive's rope fence before the trailer parking area.
